**Preidents Message:**

**As I conclude my second year as king Lion, I want to thank all the members for their hard work and enthusiasm. We have tried some new things including new meeting locations and going to one dinner meeting per month with a program. The lions club needs to keep fresh and new in order to attract new members and keep existing ones. This is a major challenge for the lions and most organizations today.**

**Remember we have three main missions; raise money for EYE research and Lions charities; Help out where we can in the community and spread fellowship and good wil among club members. Best of luck to Barbara and the new officers and directors. Remember the fourth of July Lions event on the common and our Golf Tournament August 28<sup>th</sup>. Have a great summer! King Lion Paul**
