

The Lions Tale

Volume IV 10/24/06

PRESIDENT'S MESSAGE

Dear Fellow Lions,

Here we grow! We have several new members and Leo members to be inducted on Dec. 5th..

Thanks to so many of you for working very hard on your committees. As a result, we have several activities lined up in the coming months and an increase in membership.

Also, I wish to thank everyone for their patience as we searched for a new home. It was urgent that we find a place soon. We are now centrally located at the Bennett Library. The building is rich in history and simply beautiful. Come, watch us grow.

Yours in Lionism,

Lion Barbara Bourdon

FROM THE EDITORS DESK

Wow, here we are into November. Fall has become the season of youth. In the next few weeks the Billerica Lions Club will judge the Peace Poster Contest on Nov 9th at BATV, On Nov.21st we host the Youth Speech Contest and on Dec 5th we will induct new members into the club and present the new Leo Club with their Charter. PDG John Pettis will be there to add to the evening's festivities. John is the District Leo Advisor and a great speaker. Please set aside the date, (Dec 5th). Let's welcome these people, young and old, into Lionism.

OCTOBER 7TH MEETING

Seventeen members and perspective members were entertained during an informative talk by guest speaker, John Peterson. John talked of the poverty in Armenia and the way perseverance in the face of national beaurocracy can lead

to success. Dennis Toscano's daughter catered a great stuffed chicken dinner.

50TH ANNIVERSARY

Plans are well underway for our 50th Anniversary Party. Lion Tony Cucchi's Committee has met and formed subcommittees. If you have an idea, or ideas, as to how we can have a great and memorable event please call Tony. The tentative date is May 19th.

LEGENDS SHOW

Kudos to PDG for a valiant job trying to salvage a deal with the people who ran the Legends Night for us last year. Unfortunately, Fred's efforts were to no avail as the Legends people have refused to come up with the \$600 they owe us from last year and your board of directors has refused to enter any contract with these people until the \$600 is paid.

LIONS CLUB BREAKFAST

Our fall breakfast will be held on November 26th at the Masonic Hall. Tickets are \$5.00 for adults and \$2.00 for children. Chairman Gordon Gibb has mailed four tickets to each membership household. Here's an idea. Use two tickets for yourself and your spouse or significant other and find two perspective members for the other tickets.

ALLELUIA, ALLELUIA, ALLELUIA

We have a home. At the Oct 17th general meeting, the membership elected to hold all regular meetings at the Bennett Public Library. Events requiring a larger venue, such as the 50th celebration, will be negotiated as needed. Please, come to the Bennett for the next meeting on Nov 7th. The building is beautiful.
