

Lions Tale

2006/07 Vol. 2 9/3/07

PRESIDENTS MESSAGE

I'm looking to a year filled with fun and accomplishments. Our first meeting is this Tuesday, the 5th at the Faulkner Mills. Please make every effort to be there.

Our first meeting at the Wyndham on Sept 19th. will feature guest speaker Robert (Rob) Campbell. Rob is the Director of Innovation and Product research at Insulet Corporation. Rob is himself a diabetic and wears the Omnipod Insulin Management System to manage his diabetes. Rob formally ran youth programs for children with diabetes at the Joslin Diabetes Center.

Rob's wife is a diabetes educator at the Joslin. Please come on the 19th to hear this man speak. See you Tuesday.

King Lion Barbara.

FROM THE EDITOR'S DESK

We start a new meeting year this Tuesday. Please make every effort to attend, as we will be making decisions that will effect the club for the entire year. It's our club. Please, let's be active. I know it's hard after a busy day at work or a hard day on the golf course but let's dig deep for that extra ounce of energy that will allow us to attend a meeting and Participate. I'll be there. How about you? Thanks in advance for the effort.

LION ARTHUR PORTER

Lion Arthur Porter passed away on Friday August 25th. Arthur was a good man and a good Lion. He was helping our club even before he was a member.

Those of us who worked on the ramp project for the paraplegic gentleman in Pinehurst remember Arthur well. We had very competent engineering and drafting help on the project but our nitty gritty workers came up a few cards short of a full deck. Then Arthur came along to help and the job was completed to everyone's satisfaction. Our hearts go out to Mary and Arthur's children and grandchildren.

We'll miss you Arthur. When asked for help, you always said, yes.

COMING EVENTS

URGENT. The Golf Tournament was postponed to September 15th due to rain. This is a great opportunity to increase participation. There could be a lot of people out there, who couldn't play on Aug 28th who might be able to play on Monday, Sept.25. Call Tony Cucchi 663-8314. I'm sure he'd like to hear from you.

SICK AND VIGIL

If you know of any Lion who is sick, please contact King Lion Barbara and Bulletin Editor, Bill. Thank you.

COMMITTEES

King Lion Barbara has identified some 23 Committees within the club. We list the committees and the Chairs here to help our members choose the place to put their efforts as Lions and complete the pledge we all made "To Serve" King Lion Barbara has identified some 23 Committees within the club.
