

Billerica Lions Club

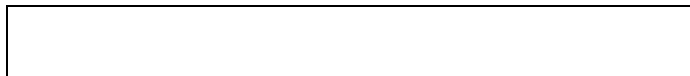

APRIL 2006 1ST EDITION B/E FRED PAIS

Presidents Message:

At our next dinner meeting at the Wyndham we will have a special guest who we have heard before. This gentleman is blind and uses a dog to aid and assist him.. He has a very interesting and inspirational story that reminds us Lions our fundamental purpose and objectives. Please make every attempt to make this and other dinner meetings, not only to support Lions, but to experience the goodwill and fellowship of the "club. Don't forget in May we will have two major fund raisers, the Carnival and the Flea Market. Your support as always is welcomed and appreciated.

Yours in Lionism, Paul Kilian

Dear friends:

The Billeria Lions has taken a step to continue our relationship with the second graders at your schools. Instead of individual school visits this year, we worked with Mrs. Iatron at the Kennedy school {with permission from the town clerk, Dr. Calabrese and Mrs. Iotron} to conduct a fundraiser on April 1st during town elections. Dunkin donuts donated donuts and the Lions paid for the coffee. After expenses, the children at the Kennedy added \$145.00 to their class scholarship fund. This amount will be added to the \$200.00 that the Lions membership agreed to donate as they have in the past.

We had fourteen Kennedy school second graders and their parents involved between 9 and 12 on the list.

It was a delightful experience for everyone involved, and we thank Mrs. Iotron and her staff for helping us. Our goal would be to increase the school participation during the next town election with the hope of involving all six elementary schools eventually.
