

Lions Tale

2006/2007 Vol. V 12/15/06

FROM THE EDITOR'S DESK

WOW hardly begins to describe the way our club is moving into the future. Just received word that our entry from the Marshall Middle School won first place in the **Peace Poster Contest** at the district level, State level and has gone on to International.

Youth Speech Contest winner Anthony J. Lever has moved from the Zone, to Region level and will compete at the Woburn Country Club on January 3rd. All are welcome.

We ran a successful **Breakfast** at the Masonic Lodge and look forward to the Christmas Party on December 19th to wind up the first half of the year.

Stu Wood tells us that the **Carnival** is a go at the Mall this spring. Plans are well underway for the **Pre School Eye Screening**, the **Health Fair**, the **Class of 2016 Donut/Coffee Sale** on April Election Day and the Annual **Golf Tournament**. Let's not forget the granddaddy event of them all, this year our **50th Anniversary** bash in May.

We have a lot of things planned and participation is a lot of fun and very rewarding. The bandwagon is rolling, so come on everyone. Climb onboard!
Editor Bill Davis

WERE YOU THERE?

Wow, what a night! If you missed the December 5th meeting, you missed the biggest night this club has experienced in many a year. President Barbara opened the meeting and the fun began.

Membership Chair, Steve Bourdon, introduced PDG John Pettis, District Leo Club Chairman. We cheered as John inducted four new Lions and twenty-eight Leo Charter members. Youth Chair Jeannette Davis presented the Leos with their Charter from Lions International.

District Peace Poster Chair, Edith Danforth announced that Rebecca Pinals from the Marshall Middle School was the District 33N Peace Poster winner. Edith presented the Rebecca with a \$500. Savings bond as District winner.

District Governor Sharon Potter joined the celebration with her best wishes for the new Lion and Leo members.

PDG John Pettis and his wife Betty pledged a gift of gavel and gong to the Leos. Thank you, John and Betty for being such a huge part of our evening expressing your confidence in the Leos.

50TH ANNIVERSARY

Remember our 50th Anniversary on May 19th. Let's make this a celebration to remember. Please email the editor with your ideas on how to make this event a truly memorable evening.

LIONS BREAKFAST NOV 26TH

It was just turning light when the first crew arrived at the Masonic Hall. Stoves were lit, the eggs were cracked, the coffee was on and the tables were set in anticipation of lots of hungry people looking for breakfast. This was a great time with a good Lion turn out and a great group of Leos. Thank you chairman Gibb. (Ed. Note: The Leos have already helped us at the breakfast, cleaned up around the Council on Aging in preparation for the Dec. 5th meeting, helped Santa take pictures at the Bennett Library and conducted a fund raising activity)

YOUTH PROGRAMS

Youth Program Chair Jeannette thanks everyone involved with our youth activities this fall. It's a wonderful start, please help keep the momentum going.

WELCOME: To the Leos and new Lions: Mary Camilleri, Bill Juanbral, Bob Kinsman and Jo Leary.

Best wishes for a Merry Christmas and Season's Greetings to all with much joy, peace and good health in 2007!
